🚀 01 // DIGITAL ONBOARDING ENGINE

How Top Advisers Onboard HNIs in 15 Minutes. (Zero Printed Paperwork)

You closed the client on the discovery call. But if your onboarding involves 28-page printed PDF forms and manual WhatsApp chasing, excitement turns into ghosting.

HARINARAYAN.ME

01 // INTAKE DESK

60-Second Booking

Captures wealth tier, meeting format & statutory consent upfront.

02 // PREP VAULT

4-Point Checklist

Automated CAS & goal intake checklist before the call begins.

03 // RETENTION

Self-Serve Portal

Client feels institutional trust from day 1. Zero dropoffs.

⚠️ 02 // THE MANUAL TRAP

The 14-Day “Paperwork Trap” Where 52% of HNI Deals Die

Here is what happens when you send a busy entrepreneur a 28-page PDF questionnaire after a great discovery call:

1 **Day 01: Great Discovery Meeting**
Founder is impressed by your expertise. Intent is at all-time high.
100% MOMENTUM

2 **Day 03: “Please Print, Sign & Scan This 28-Page Form”**
Client forwards to their assistant. Assistant gets busy. Document sits idle.
65% MOMENTUM

3 **Day 08: Awkward WhatsApp Chasing**
“Hey just checking in on those statements!” • Client feels guilt & ghosts.
28% SURVIVAL

THE COST OF MANUAL PAPERWORK
Every 24-hour delay between discovery and signed mandate drops conversion by **11%**.

03 // THE DIGITAL INTAKE SUITE

What I Build for Advisers to Onboard HNIs in 15 Minutes

Replace manual email and WhatsApp ping-pong with a sleek, self-serve client intake portal:

PRE-QUALIFIED

60s Consultation Desk

Filters investable wealth tier, meeting type (Meet/Phone/Office) & primary financial goal.

PRE-CALL PREP

4-Point Discovery Checklist

Guides clients to have CAS PDF & goals ready before the call. Zero awkward chasing.

INTERACTIVE

Digital Risk Profiling Desk

Interactive SEBI suitability assessment with real scenario testing on mobile.

INSTANT ALERTS

Direct WhatsApp Notification

Instant ping to your WhatsApp with investor wealth tier & 1-click follow-up link.

🧠 04 // THE FIDUCIARY PSYCHOLOGY

The 48-Hour Law

“HNIs equate digital onboarding speed with fiduciary competence.”

High-net-worth clients value speed and elegance above all else. If your intake feels like standing in a government queue, they assume your portfolio execution will be equally painful.

REFERRAL VELOCITY MULTIPLIER

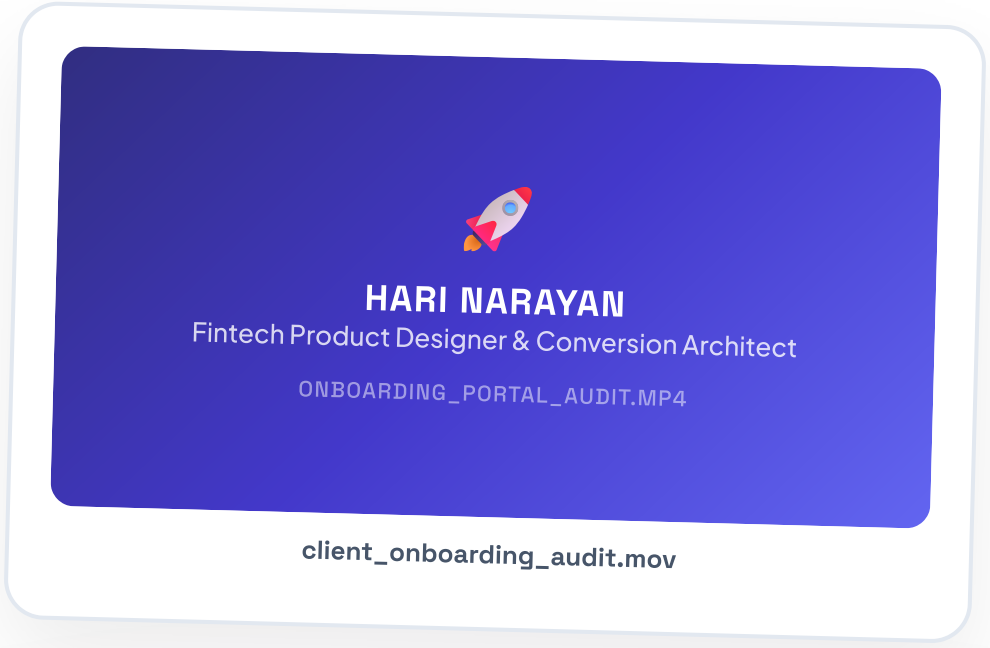

Advisers with frictionless digital intake receive **3.4× more referrals** in their first 60 days

+3.4x

🎁 05 // COMPLIMENTARY 1-ON-1 AUDIT

Want me to build your firm's digital onboarding portal?

Send me your current client intake or scheduling flow. I'll record a personalized 3–minute video showing where high-ticket prospects get stuck and how to automate it.
